Work Experience

Bassist / Audio Engineer

Vineyard Anaheim - Anaheim, CA

June 2020 to Present

It is a volunteer experience.

I am currently playing bass guitar with the church Vineyard Anaheim, and as audio engineer I managed five events that requires live music settings and speaking environment.

Bassist

SHAKE CITY - Los Angeles, CA

September 2015 to October 2019

I played bass guitar with the band SHAKE CITY, church band in Korean Church named, LA Woori Community Church. We have uploaded several videos in Youtube and released two albums in South Korea.

Not only as bassist, I was also score editor to create music for guest musicians such as violinist, violist, cellist, double bassist, and other instrumentalist.

Education

Master's degree in Arts Leadership

University of Southern California - Los Angeles, CA

August 2020 to Present
